FACULTY TECHNOLOGY RESOURCES

Visit tech.msu.edu/faculty page for more information about university technologies and policies.

GENERAL INFORMATION

- MSU Network registration for wired and wireless (dhcp.msu.edu)
- Office of the Registrar (reg.msu.edu)
- Two-Factor Authentication (secureit.msu.edu/two-factor)
- MSU Library (lib.msu.edu/faculty)
- Technology guidelines and policies (tech.msu.edu/about/guidelines-policies)
- Web Accessibility, including making course materials accessible (webaccess.msu.edu)
- Usability/Accessibility Research and Consulting (usability.msu.edu)
- Email (mail.msu.edu)
- Printing (print.msu.edu)

COURSE MANAGEMENT SYSTEMS AND TOOLS

- Learning Management Systems: D2L, LON-CAPA (d2l.msu.edu, loncapa.msu.edu)
- Google/G Suite for Education (googleapps.msu.edu)
- MSU Quality Matters course rubric and review (tech.msu.edu/quality-matters)
- Course and instructional technology support (tech.msu.edu/teaching/instructional-design-development)
- Faculty Seminars, Workshops, & Development (tech.msu.edu/teaching/faculty-development)

CAMPUS TECHNOLOGY

- Technology help and support (tech.msu.edu/support)
- Classroom technology and media support (tech.msu.edu/support/classroom)
- Teaching & Learning Technology (tech.msu.edu/teaching)
- Teaching Tools (tech.msu.edu/teaching/tools)
- Computer labs (tech.msu.edu/computerlabs)
- Test scanning, scoring, and proctoring (tech.msu.edu/teaching/test-scanning-scoring)
- Wireless (tech.msu.edu/wireless)
- Conferencing options (tech.msu.edu/conferencing)
- Zoom conferencing (msu.zoom.us)
- Media and video storage (mediaspace.msu.edu)
- Large file transfer (filedepot.msu.edu)
- Technology training and professional development (spartanslearn.msu.edu)
- Computer Store – Help and Repair (cstore.msu.edu)

REGISTERING YOUR COMPUTER/DEVICE

1. Connect your devices to a working Ethernet jack for the wired network or to MSUnet Wireless where available.
2. Open your web browser to dhcp.msu.edu.
3. Log in using your MSU NetID and password and then follow the directions.
4. Restart your devices when complete.

TECHNOLOGY SUPPORT

MSU offers a variety of technology support. Full details are at tech.msu.edu/support.

General Computer and Classroom Technology Help
Walk-in help (and computer repair services) at 120 Computer Center or call (517) 432-6200, toll free (844) 678-6200. Can also email ithelp@msu.edu.

Electronic Resources and Library Help
Call (800) 500-1554 or (517) 355-2345 or email reachout@msu.edu.

Spartan ID Card and NetID Services
Walk-in help at the MSU ID Office in 170 International Center or call (517) 355-4500.

RESEARCH RESOURCES

• Center for Advanced Microscopy (ceo.msu.edu)
• Center for Statistical Training and Consulting (cstat.msu.edu)
• Copyright Permissions Center (copyright.lib.msu.edu)
• Gartner Research (gartnerportal.itservices.msu.edu)
• Institute for Cyber-Enabled Research & High Performance Computing Center (icer.msu.edu)
• Historical Research Records (archives.msu.edu/research)
• MATRIX: The Center for Digital Humanities and Social Sciences (matrix.msu.edu)
• MSU Technologies (technologies.msu.edu)
• Office of the Vice President for Research and Graduate Studies (vprgs.msu.edu)
• Research Technology Support Facility (rtsf.msu.edu)

SECURING INSTITUTIONAL DATA

Mitigating the risk of unauthorized exposure and protecting the university’s information assets is the responsibility of every member of the MSU community.

Institutional data are all of the data held by Michigan State University, in any form or medium, for normal business operations. We all have roles to play in managing institutional data responsibly. Learn more about the MSU Institutional Data Policy, data-specific responsibilities, and resources at secureit.msu.edu/sid.
