

****MSU PRINT is running a Pilot test with Spartan Card ID contactless readers****

When printing from one of the lab computers:

1. You will need your Spartan Card ID to release your print job.
2. Use File > Print to send the print job to the printer.
3. Tap your MSU student ID card on the contactless Spartan card reader on the printer to release your print job.

When printing from WEBPRINT anywhere on campus:

1. Submit your print job from <https://print.msu.edu>
2. When you are ready to release your print, you may tap your MSU student ID card on the contactless Spartan card reader on this printer to release your print job.
3. If you do not have your Spartan Card ID, you may still release your print by releasing it in WEBPRINT.
